**Southeast Interactive
Long Distance Learning**

Engaging Students

Participating Schools

Alcester-Hudson School District
Arlington School District
Avon School District
Centerville School District (2014)
Clark School District
Gayville-Volin School District
Irene-Wakonda School District
Rutland School District
Sioux Valley School District
Tea Area School District
Viborg-Hurley School District

Organization

The SILDL (Southeast Interactive Long Distance Learning) consortium began in 1998 with schools in the southeast area of the state. Since that time, many changes have taken place and the technology continues to drive the mission of the consortium of schools. That mission is to bring the best and most engaging learning environment to the participating schools.
