

Teacher Training 2014 -

I have not set the dates for summer training. When we set the dates, I will also need to have a volunteer from a school to host somewhere in the middle of our consortium.

College Classes (State) –

I'm working with Mount Marty to try to get a reduced rate.

Membership –

There are no changes on this item.

System –

There were no issues. If you are planning to move your equipment this summer, please let me know and I can help if needed.

System Expansion –

We do not have verification of the content server upgrade, when there is confirmation, I will let you know. It will be in place for August.

Registration -

The links to the registration pages are on our website. Also, by sending a direct email to me, I can coordinate the high school classes.

Principal and Counselor Meeting –

We discussed last month about having Principal meetings again. I will schedule them, what is the best dates and location to facilitate these meetings?
