Classes in the areas of English, History, Mathematics, and Science are available each semester and require separate registration.

Mount Marty College's *Step Ahead* Dual Credit Program provides a unique opportunity for students to enroll in courses that earn both high school and college credit simultaneously. MMC's first partnerships in Dual Credit were formed in 1996 and have proven to be very successful and an educational asset to students who take advantage of this time and money savings program.

Benefits

- Increased confidence in ability to do college-level work
- Being a "step ahead" of other college freshmen
- Saving time by not having to repeat the courses in college*
- Paying a fraction of the price for the same college credit
- Increased opportunities for the college student to double major, take lighter credit loads, and graduate in four years

Costs

- High School Dual Credit Courses: \$60/CR
- SILDL Distance Education Courses: \$95/CR + book

Eligibility

- Students must obtain approval from a guidance counselor, teacher, or other appropriate personnel
- Students must be approved for advanced placement courses or meet two of the following criteria:
 - Cumulative GPA of 3.0
 - Min. grade of "B" in prior content-related courses of *Step Ahead*
 - Min. ACT score of 21 in content-related sub test
